From The RELOAD Album  
Tom Jones with Heather Small

Well, well, well

It seems like it was only yesterday  
When my Momma told me don't fall in love with  
the first girl that comes your way  
She was pretty and nice but I took her advice and  
passed her by  
Years have passed and it don't look like loves  
gonna give me a second try

Boy the look on your face tells me you understand  
Could it be your love life, like mine needs a helping  
hand

Yeah You need love like I do, don't you?  
I can tell by the way you look, when I'm looking  
at you

I know it aint fit and proper for a girl to talk this way  
But I can't cope with this loneliness, not one  
more dog-gone day  
Every day has been an uphill climb to keeping my  
hopes afloat  
Judging by your silence boy, you must be in the same  
boat

And again now

You need love like I do, don't you?  
I can tell by the way you look, when I'm looking  
at you - well, well, well, well,  
You need love like I do, don't you?  
It seems like I'm looking in the mirror, when  
I'm looking at you

I can't begin to tell how many night times have  
been all lonely,  
Come on tell me girl does it ever happen to you?

I'm gonna tell you something and believe me it  
ain't no joke,  
My love life is just like a sinking boat

I can understand a person being without money  
But surely there isn't a reason for a person to be  
without love.  
Listen to me now; I'm a girl and you're a  
guy

Yes it's true  
Come on let's give love a try  
He he damn

You need love like I do, don't you?  
I can tell by the way you look, when I'm looking  
at you

You find that true love is a dream that everyone wants  
to come true  
Can't you see it's up to us to make this dream  
come true

Yeah! You need love like I do, don't you?  
I can tell by the way you look, when I'm looking  
at you - well, well, well  
You need love like I do, don't you?  
Well it seems like I'm looking in the mirror, when  
I'm looking at you

Ain't it true, Ain't it true, Ain't it true, Ain't it true, Ain't it  
true,  
Yes, it's true, yes it's true, true, true

You need love like I do, don't you?  
I can tell by the way you look, when I'm looking  
at you  
You need love like I do, don't you?  
Well, it seems like I'm looking in the mirror,  
when I'm looking at you

You need love like I do, don't you?  
I can tell by the way you look, when I'm looking  
at you,  
You need love like I do, don't you?  
Well it seems like I'm looking in the mirror, when  
I'm looking at you.

Ain't it true girl, I'm in love, I'm in love  
cause I need you, and I need you too.
