You're still talkin'
All that shit out your mouth
Come home
I been a fool too long
There's blood within
That's bad
You grown so ugly
Vampire
I can't even look at you
Stupid child
Why do you lie?
I'm gonna treat you
Treat you
Like a stepchild
Watch it
You and I
That's history
LIES
Late night
Hollywood
You're so alone
Baby, angels
In the sand
I'm on high
Where you goin?
Understand
Let me tell you about it
It's hot
It's cold
It's hot and it's cold
At the same time
You and I
That's history
LIES
Our bodies
Are made up of
Like molecules
Between you and I, son
There ain't much difference
You still got to choose
Come on
You and I

That's history
LIES!
You and I
Forty-five
Sssh
