Show me the way and I will follow
Give me no reason to doubt
Show me a sign and I will take it
Give me no reason to stop

We're searching for a million reasons
We should be happy with one
Throw me a line and I will take it
I will hold on for the rest of my life

Who am I?
I'm just a man
I'll stop pretending
I'm not defending
I'm just trying to fix myself

Tell me it's fate, I will believe ya
Give me no reason to doubt
Tell me the truth cause I can take it
There ain't no easy way out
Throw me a line, right now I need it
Can you hold on for the rest of your life

Who am I?
I'm just a man
I'll stop pretending
I'm not defending
I'm just trying to fix myself

So tell me, who am I?
I'm just a man
I'll stop pretending
I'm not pretending
I'm just trying to fool myself

I'm just a man
I'm just a man
Yes I am
I'm just trying to fix myself

Who am I?

Who am I?
Wooooo
I'm just trying to fix myself
