When I am on the road, playin' in a town without a  
name

And I'm feelin lone and everyone looks the same.

When you catch my eye and then come on strong and  
'cha make your play.

Just because we loved tonight, please don't you think  
it's going to stay

that way.

Don't you know that you're nothing more than a one  
night stand,

Tomorrow I'll be on my way and you can catch me if  
you can,

Honey take me by the hand and play that game again.

Everywhere I go the people wanna make some time  
with me.

That's Okay, if the next day I can be free.

Oh it's feeling good and you're the one that I'm lovin'  
tonite,

But don't you go and spoil it baby.

The time ya get is just all the time.

Don't you know that you're nothing more than a one  
night stand,

Tomorrow I'll be on my way and you can catch me if  
you can,

Honey take me by the hand and play that game again.

When I am on the road, playin' in a town without a  
name

And I'm feelin lone and everyone looks the same,

But when ya lookin good and you're the one that loves  
me tonight,

Don't you go and spol it baby,

The time ya get is just all the time.

Don't you know that you're nothing more than a one  
night stand,

Tomorrow I'll be on my way and you can catch me if  
you can,

Honey take me by the hand and play that game again
