Come on Come on Come on Come on

Didn't I make you feel

Like you were the only man

Yeah I did not give you nearly everything that a woman
possibly can

honey you know I did

Each time I tell myself that I well I think I've had enough

What I'm gonna show you baby is that a woman can be
tough

CHORUS:

I want you to come on, come on, come on, come on

And take it

Take another little piece of my heart now baby

Break it

Break another little bit of my heart now darlin' yeah

Come on

Grab another little piece of my heart now baby

You know you got it if it makes you feel good, oh yes it
did

Your out on the streets lookin' good

And baby deep down in your heart

I guess you know that it ain't right

Never never never never never never Hear me when I
cry, cry, cry, cry

Baby I cry all the time

Each time I tell myself that I well I can't stand the pain

But when you hold me in your arms I'm singing once
again

CHORUS

Guitar solo

CHORUS 2X'S
