People come around the window,
People come around the door
People come around and ask me
If I can say some more
'Cause I'm a whisperman, yes I am!

I can read somebody's back hand, and I can read your
mind
What you need is body heat, ask for it any time
'Cause I'm a whisperman, yeah, yes I am!

I can see up your staircase, and I can see down your
hall,
I can see almost anything, or anything at all,
'Cause I'm a whisperman, yeah, yes I am!

I can see behind your eyelid,
I can see behind your head
I can only check you on the windshield,
Write them on your bed.
'Cause I'm a whisperman, yeah, yes I am!
