He never tried so hard.
Never tried so long.
Something he had dreams of.
For something he had longed for.
He never climbed so high.
He shouldn't have climbed so high.
That when they beat him down.
He couldn't get off the floor (and)

Whoah ho whey oh.
Then he went right off the edge.
(And he went right off the edge. (said) - [2x])

She never talked 'bout dreams
She never talked her dreams.
For fear what she'd be thought of.
For fear what she was thinking.
She never thought so hard.
She shouldn't of thought so hard.
That she snapped inside
And then she hit the floor (and)

[Chorus with 'she']

Whoa ho whey oh
(And we all go off the edge. - [2x])
Whoa ho whey oh
(As we all go off the edge. - [2x])
Whoa ho whey oh
(And we went right off the edge - [2x])
Whoa ho whey oh
(As we go right off the edge. - [2x])
