What was the aggressive  
Is now a bit more so  
Edging, and more daring  
And tolerance is low  
Seeing, rather caring  
My children will be mad  
Their offspring, so, insane  
To shadow what I had

[Chorus]  
I am one  
I am one  
I'm feeling so far gone  
I am done  
I am done  
They'll shoot me on the run

O.K. wait, O.K. wait  
I gotta step back and say  
Wow, what a fuck up  
What a damned way  
I was just, was just, was  
Just thinking on a bit of the choice they have  
And what they'll do with it

I'm gone, so gone, so gone  
I'm gone, so gone, so gone
