She sits at home with the TV on.  
(She) She cry's all night cause her life's not getting on.  
Gets home from work and he down's a beer.  
Smashes his fist cause the pain can't mask the fear.

(I gotta get - 3x) out - 2x)  
(I can see this is not the way it's supposed to be - 2x)

(She) She left her home had to be alone.  
She left mom and dad she had to get at on her own.  
He left his home and he left his job.  
Gets in his car and he rips down the road.

(I gotta get - 3x) out - 2x)  
(I can see this is not the way it's supposed to be - 2x)

(He's got his home and he's got his job.  
Yet he feels alone cause he's dead inside - 2x)  
Smashes his fist cause the rage can't mask the fear.

(I gotta get - 3x) out - 2x)

((It's not) the way it's supposed to be. - 15x)
