Its going down
Me entiendes

(Chorus)(2x)
Mira lo que pasa
When your messing with my raza
Ya get close i'll get your casa
Mira lo que pasa
When you kill me and my raza
Cuz you hoes no tienen chansa

Viven the vatos ramos
Bustin on two soldados
Crimen a piano vamos
Mexicanos y Hispanos
Hitting them like granosos
Esqucha a los dos babosos
Whatchin the maricones, haters, suckers, and
chismosos
Es la roca tu vida
Do you feel the embidia?
Porque no hay salida
When your hooked on the linea
Echale ondo al paro
Porque cargas el palo
Steelin from your own familia
Now you jackin the carros
Rollin, i'm drivin
Whatchin the raza go robbin
Got the bullet revolving cuz i'm solvin the problem
Te envenenan la pena
Si te ponen te truenan
Es la vida en la pinta
When you movin arena
So you up in your ride
Whatchin hard from the jura
Cuz your blown on a toce
Y transportas la pura
Es lo que pasa en el dia
Esta dura la vida
Keep my hand on my heata

Pack a clap for la cita
Day, I bust en arranque
Hay tension en mi tanque
Whatchin the markas en placas
Feelin like Pedro Infante
While my ladie and baby are
Livin hard in the mundo
My Mercedes is faded
And i'm missing my gordo
Me lo envarro en el pecho
Animal mi derecho
Hay muy pocos de pesos
Y no pagan el techo
Mexicano came up
Hitting hard on these licks
Treating haters like chicks
They had me jackin real quick

(Chorus)(2x)
