I love you and I'm not ashamed to say
How much I didn't want to walk away.
I love you and won't hesitate to say
Before you break my heart I'll walk away.

Now that you and I are here
There's some words that you should hear.
In my heart I always knew
The love we shared was too good to be true.
We had some real good times
some bad times
too

But now we've split because of things you do.

I love you and I'm not ashamed to say . . .

You want me back
that's plain to see

But for my lovin'
or for my money.
I'm telling you now
boy
your old ways must change

Or the split between us will remain the same.

Why now do you come knocking on my door
Asking me what did we split for.
You were my pride
you were my joy

But all I was to you was your little toy.

I miss you
baby
I still want you
too

Want to give my lovin'

all to you.
But I'm no fool for you
you must treat me right

If you want the love I feel for you to stay tight.

I love you and I'm not ashamed to say . . .
I love you and I'm not ashamed to say . .
Why now do you come knocking on my door . . .
I love you and I'm not ashamed to say . . .
