Don't worry about one thing  
Don't worry about nothing  
She said  
I'm not gonna let this one go.  
Nobody is on my side,  
Nobody seems to see  
How much  
How deep  
How far  
These things can be

My eyes are drying I  
My eyes are drying i, I ,  
Still dont even know you, i, I  
Still wish that I could hold you, i, i,  
I sometimes wanna die.

And everywhere I go  
And everyone I see  
Somehow  
Almost sets me free  
And the spaces where we meet  
Is different then the rest  
And I cant seem to forget them

My eyes are drying i, I ,  
Still dont even know you, i, I  
Still wish that I could hold you, i, i,  
I sometimes wanna die.  
I sometimes wanna die  
I sometimes wanna....

And you were at the start  
And now you are then end  
And you left me with nothing to defend  
I need the voice of a girlfriend,  
Cant stop myself from laughing  
No matter how sad  
These things can be,  
These things can be

My eyes are drying i, I ,

Still dont evben know you, i, I  
Still wish that I could hold you, i, i,  
Still dont even know you,  
I sometimes wanna die.

Repeat...till end
