You saying you don't want my love and the best thing is
for you to leave.

But I'm laying alone
And i want you right next to me.

Promises that you made
Now you telling me u wanna be free
So tell me how am i give my love
Cuz with you is where i wanna be
But baby i cant breathe

You got me holding all my breath
baby i cant breathe
i can hear your heart calling for me
Ohhhh ohhhh ohhhh ohhhh

I got this pain all in my chest
soul all on my sleeve
I can hear your heart crying for me
ohhh ohhhh ohhh ohhh

Got me writing in the mail.
Got me going through my cell phone.
Ha ha ha
baby i aint got no phone calls.

Guess the jokes on me should of loved you when i had
it
Now I'm locked up in this room and girl i got it bad bay

Like 1.2.3. I'm in love and its all over
i need ha ha ha
put ya hands all on my shoulder babe

When we both made love
Now we all broke up
When we we kiss and hug
lemme know whats up
I need to know!
Baby girl I was a soldier
Ha ha ha
got me crying in this bedroom

U just cant leave baby
need ya here with me baby
why cant u see baby
i just cant breathe

You got me holding all my breath
baby i cant breathe
i can hear your heart calling for me
Ohhhh ohhhh ohhhh ohhhh

I got this pain all in my chest
soul all on my sleeve
I can hear your heart crying for me
ohhh ohhhh ohhh ohhh
