Oh boy, oh boy, let's go boy, oh yeah
Come on, whoa, alright,

I'm just thinking what we did last night
Girl we was so gone, 70 street that's so wrong
And I can't stand that
Everybody's telling me I'm wasting the day
But I'd rather die with no regrets or complaints
And we moved the size up to the very night, night
We'd rather have a good time

If you sleep all day, party all night
If you don't wake up until the clock struck five
If You sleep all day, party all night
Stand up and say my name is Joe
And I'm a danceholic, holic
Yeah I'm a danceholic, holic
Yeah I'm a danceholic, holic
Yeah I'm a danceholic, holic

One more, one more night to win you
You and I on the dance floor
I'm meaning all the what you laugh for
Cause I can't stand that
Everybody's telling me I'm wasting the day
But I'd rather die with no regrets or complaints
And we moved the size up to the very night, night
We'd rather have a good time

If you sleep all day, party all night
If you don't wake up until the clock struck five
If You sleep all day, party all night
Stand up and say my name is Joe
And I'm a danceholic, holic
Yeah I'm a danceholic, holic
Yeah I'm a danceholic, holic
Yeah I'm a danceholic, holic
If you sleep all day, party all night
If you don't wake up until the clock struck five
If You sleep all day, party all night
Stand up and say my name is Joe
And I'm a danceholic, holic

Yeah Iâ€™™ m a danceholic, holic
Yeah Iâ€™™ m a danceholic, holic
Yeah Iâ€™™ m a danceholic, holic.
