

J Randall "Santa Gimmie"

Visit "[Santa Gimmie](#)" on MotoLyrics.com

i dont want a stocking full of socks.
i dont want a message in a box.
i dont want a candy cane necklace.
maybe just a southern bell from texas.
i dont want a present wrapped in gold.
i dont want to dress up for the cold.
i dont want to feel the fire burning.
i just want a feisty girl from jersey.
yeah yeah

oh santa, i dont want a toil on christmas day.
oh santa, i dont want a bike outside to play.
oh santa, i dont want a bunch of mistletoes.
all I want for christmas, santa, is some
ho ho ho ho ho's
santa gimme ho ho ho ho ho's,
santa gimme ho ho ho ho ho's
santa gimme ho's on Christmas

i dont want to decorate the tree.
i dont want to sit and watch tv.
i dont want to sing about noel.
i just want to party in a hotel.
i dont want to walk around the mall.
i dont want to look at the snow fall.
i dont want a present i get bored of.
i just want a sexy girl from florida.
oh yeah yeah

oh santa, i dont want a toy or christmas tape.

oh santa, i dont want a bike outside to play.
oh santa, i dont want a bunch of mistletoes.

Oh Santa, I don't want to toil Christmas day.
Oh Santa, I don't want a bike outside to play.
Oh Santa, I don't want a bunch of mistletoe
all I want for christmas, santa, is some
ho ho ho ho ho's
santa gimme ho ho ho ho ho's,
santa gimme ho ho ho ho ho's
santa gimme ho's on Christmas

Now all the ladies loving Santa Claus,
let's have an after party tonight,
all the fun this really could be,
if you will only see that you should get what you want
for Christmas.

I don't wanna write it on the list,
I don't want it just to be your wish.
I just wanna pull up in a limo,
With some surfer chicks from Sacramento

Oh Santa, I don't want to toil Christmas day
Oh Santa, I don't want a bike outside to play
Oh Santa, I don't want a bunch of mistletoe
All I want for Christmas, Santa, is some ho ho ho ho
ho's
Santa gimme ho ho ho ho ho's, Santa gimme ho ho ho
ho ho's
Santa gimme ho's for Christmas day
