would you tell me when i ask you
if you love me when you don't
would you say your feelings never changed
when they've all gone away
i don't wanna be blind
and i don't wanna hear what you think i need to hear
i don't wanna hide
so you can stop trying to protect me everywhere

cos i don't wanna be
living my life alone, sometimes i wanna cry
but i can't if you won't let me see
don't wanna be blind, don't wanna be blind
i refuse to be blind, i refuse to be blind

not a good day, sometimes a long way
but i know i don't wanna fight in the dark
so turn the light on, let me in on everything you got on
your mind
i don't wanna be blind
and i don't wanna hear what you think i need to hear
i don't wanna hide
so you can stop trying to protect me everywhere

cos i don't wanna be
living my life alone, sometimes i wanna cry
but i can't if you won't let me see
don't wanna be blind, don't wanna be blind
i refuse to be blind, i refuse to be blind

everytime i tried to see what you've been holding back
from me
you say, you say i don't need to know
and i don't wanna keep ignoring every sign that you're
about to leave
i can't keep living..

living my life alone, sometimes i wanna cry
but i can't if you won't let me see
don't wanna be blind, don't wanna be blind
i refuse to be blind, i refuse to be blind

don't wanna be blind, don't wanna be blind
i refuse to be blind, i refuse to be blind
