O' Tonight it's bad
Just stuck in my head
And everything said, it's been said

O' Tonight, there's room
Bring the old, bring the new
But everything new gets broken down too

Am I losing faith?
Do I seem sad?
Have I lost my smile?
Sometimes I forget how
Am I losing it like I often do?
Am I losing it like I often do?

O' Tonight, it's ok
Tomorrow brings a brand new day
And the winds of change, there gonna blow

O' Tonight, we'll see
What's to come of you and me?
Lord, give me strength for things I can change

Am I losing faith?
Do I seem sad?
Have I lost my smile?
Sometimes I forget how
Am I losing it like I often do?
Am I losing it like I often do?
