

Juan Camus "Now That the Loves Gone"

Visit "[Now That the Loves Gone](#)" on [MotoLyrics.com](#)

If you're lookin' for your old friend.
I can say he's long since gone,
He felt that love had turned its back,
A shadow is all that remains,
Since you stole my heart away.
Now that the love's gone
Here am I in my empty room
With my empty heart
Now that the love's gone
As long as I believe.
One day I will see,
you coming back to me.
Though there's only pain and darkness,
I can see a distant light.
Shining on a future day.
Whatever tomorrow brings.
I wanna see your face again.
Now that the love's gone.
Here am I in my empty room,
With my empty heart.
Now that the love's gone,
As long as I believe.
One day I will see,
You coming back to me.
They say whenever love goes around,
Sure to be coming round.
How can it be?
Where's the girl that I thought I'd found?
Won't you bring her back to me.
Now that the love's gone,
Here am I in my empty room,
With my empty heart.
Now that the love's gone,
As long as I believe.
You'll come back to me.
Now that the love's gone
Here am I in my empty room
With my empty heart
Now that the love's gone,
As long as I believe.
One day I will see,
You coming back to me.

Won't you bring her back,
Won't you bring her back,
Won't you bring her back to me.
You'll come back to me,
You'll come back to me,
You'll come back to me,
You'll come back to me.
