You stood so tall and proud
For the whole world to see
That the hearts of everyone
Show compassion, love and peace

The tender mercy of our God
Is over all who believe in Thee
It's our fortress, power and shield
So we sing all praise to Thee

(Chorus)
I'll always rememberr how You, gave your life
And You sacrificed for me
I'll always remember, how You paid the utmost price
When You died for me
He's the one we put our trust
And the rock of our salvation
In time of trouble He's our refuge
And our strength in time of weekness

Sometimes the pain of life is so hurtful
When our loved one's are called home
He givesus wisdom, love and power
And the strength to go on
(Repeat Chorus)
