

Julia Ann Gardner "Spirit Of America"

Visit "[Spirit Of America](#)" on MotoLyrics.com

We stand tall, we are proud
With a song in our heart
This land is our treasure

As we dry the tears from our eyes
Our hearts are filled
With prayer for hope, peace and love

(Chorus)
God bless this land, we call America
Where adventure, encouragement, and loyalty always
reign
This is the spirit of America, and united in this spirit
we'll always stand

As we cry, we will fight,
And show the world
That we're proud and strong

Let everyone adorn the red, white and blue
as an expression of the kindness, justice and truth
(Repeat Chorus)
