Guess I made it kinda obvious
That I didn't get over you
Everybody kept on telling me
I never wanted to agree
No, no

There is no sense on keeping feelings
I really got to get myself together now
Gotta find a way somehow
So I guess I gotta...

Find some way (find some way)
To hear me out (hear me out)
Get myself up out this house (let go)
Life goes on I know there's someone (someone)
Out there for me

But I gotta find some way (find some way, some way)
To hear me out
Get myself up out this house (get up out this house)
Life goes on I know there's someone (someone out there)
Out there for me (yeah)
But I gotta

Ooooh, ooooh, ooooh

Gotta find some way
Someone out there for me
So I guess I've gotta
Find some way to
Yeah oh yeah
Get myself out (gotta find a way)
Life goes on I know there's someone
Out there for me

But I've got to find a way (find a way)
To hear me out
Get myself up out this house (outta this house)
Life goes on I know there's someone
(Out there for me) out there for me

But I gotta find some way

Find some way

To hear me out

Get myself up out this house

(I've gotta get myself up outta this house)

Life goes on I know there's someone

Out there for me

But I gotta (I gotta)
