Where are you going, inside your mind
I guess were always livin'
on borrowed time
Yes I will be here, to hold your hand
just close your eyes and sleep
I understand
Chorus:
You're flying with angels
above us all and I'll be here
to catch you if you fall
If others leave you, you know I'll stay
My dreams will whisper to you
and guide you way
so sleep my darlin' (sleep my darlin')
one kiss goodnight (one kiss goodnight)
another song awaits you
with rising eyes
Chorus 2x
Oh I'll be here to catch if you fall
