I hear the wind traveling down the Koalou  
It touches my skin and makes me think of  
How much I miss you, my Hawaii  
I breathe the fragrance of the yellow ginger lei  
I look inside myself to find the words to say  
How much I miss you, my Hawaii

Every time I stop to watch the moon dance across the  
early evening sky  
Every time I hear a country tune I can see the shores of  
Wai'ani  
Every time I listen to my heart telling me it longs to go  
back home  
And it makes me want to  
Cause I miss you my love

I catch the glimmer of your face across the sky  
I watch the setting sun and I begin to cry  
Because I miss you, my Hawaii  
I rest my head upon the sands of Waikiki  
I close my eyes and I hear you calling me  
How I miss you, my Hawaii

Every time I stop to watch the moon dance across the  
early evening sky  
Every time I hear a country tune I can see the shores of  
Wai'ani  
Every time I listen to my heart telling me it longs to go  
back home  
And it makes me want to  
Cause I miss you my love
