Ooh yeah  
Yeah wha?  
It's time for us to celebrate

[Verse 1]  
I've waited far too long  
To let you know the truth  
Your Mr. Right is wrong for you (you gotta know)  
He's not the shining star  
You used to talk about  
It's hard to see when the lights gone out hey

[Bridge]  
Don't you cry  
Dry your eyes  
Wipe your tears away  
It's time for you to celebrate  
Your independence day

[Chorus]  
You should leave him (walk out that door)  
Here's your reason (you deserve more)  
Maybe we can (go celebrate your)  
Independence day (independence day)  
Why you stayin? (when you know for sure)  
He's been playing (don't take no more)  
Here's your freedom (let's celebrate your)  
Independence day (independence day)  
Stop waiting...
