[Verse 1]

My mother called
She said that she
Wouldn't be comin home till late
But if she knew
About us two
She sho nuff be on her way

[Hook]

Girl I think it's time for you to break em down and kick it
with me
(I don't know if I should)
Or maybe I can come over and we can watch a little T.V.
(I don't think we would)

[Chorus]

Sittin at home
Thinkin by the phone
Wishin you were here cuz my mama ain't home
Should I call?
(Call me)
Should I call?
(Call me)
Sittin at home
Thinkin by the phone
Wishin you were here cuz my mama ain't home
Should I call?
(Call me)
Should I call?
(Call me)

[Verse 2]

What would we do, what would we do
If I let you into my room?
(Where do we go from here?)
Should I listen to my mama
Sayin about havin you come on over
When she ain't here

[Hook]

Your mama just trippin cuz she know I wanna be your

man
(She don't even know you that well)
Well while we are not around her she gon have to
understand
Just make sure you don't kiss and tell

[Chorus]

[Bridge]
(Call me)
(Call me)
(Call me)
He loves me, he loves me not
(Call me, hello)
I don't know if I
Should let you
Come over tonight
Baby
(Call me, call me)
She don't have to know
If we keep it on the low
Yeah, yeah
(Call me, call me)

[Chorus til fade]

(Call me)
He loves me, he loves me not
(Call me)
He loves me, he loves me not
