It's like no matter what I do  
I just can't help but think of you  
You're on my mind all night and all the day....yeah  
The vision of your smile is here  
inside my head, between my ears  
dancing all around in every way yeah...oh yeah  
Oh yeah...oh yeah  
The moment I laid eyes on you  
I knew that dreams they do come true  
You sure know how to brighten up my day ...yeah  
I'm hoping that someday we'll be  
together as a family  
with you is where I always want to stay...yeah...oh yeah  
Oh yeah...oh yeah  
Chorus:  
'Cause life is always playing with my mind  
drop me to my lowest low  
and it makes me high.....oh yeah  
So baby now you know it's true  
there ain't no me, if there's no you  
it's us and that's the way it's going to stay....yeah  
'cause loving you with all my might  
so hug me babe, and hold on tight  
from now on everything will be okay....yeah...oh yeah  
Oh yeah...oh yeah  
Chorus  
Oh yeah, oh yeah  
oh yeah, baby oh yeah.  
ooh yeah, oh yeah.
