Babygirl lay your head on my pillow and let me fulfill  
Your deepest desires and wishes so close you eyes  
and embrace  
My hugs and kisses in your visions at night while  
I get this dough from shows  
In this glamorous life  
With all the lights, camera and nights take a pair to my  
future wife  
In this paradise I hope you got the flowers and letters I  
sent ya (ooowha)  
Feenin for your touch missin you bad no matter the  
weather

[Verse 1: Na'Shay]

All I (all I)

So I settle for the next best thing  
If you can't be here you'll be in my dreams  
Baby

When I'm ain't seen you  
Where you at, and what's ya doin boo  
Although I know I shouldn't be like that  
But I am and it's ok  
Cause I'm a be with you anyways

When you gone you got me missing you so many ways

Just hold tight  
And I'll be there to make it right (alright)  
So picture my body (my body) all over your body (my  
body)  
While I lace you in plain suit  
Word and tails from season bacardee  
See if loving you is all I gotta do  
Keep my spot warm till I come back to you

[Chorus:2x]

If I think about you babe  
As I sleep (as I fall asleep)  
Will it guarantee (to be a sweet dream)

As I sleep (as I fall asleep)  
Will it guarantee (to be a sweet dream)
