my flow so tight and the beat so sick

ass kicked

my flow so tight and the beat so sick
Chris brown should get his ass kicked

Boy hits girl,
boy should be taken down
No matter who's around
The more I search yo the more I found
That there's a curse to this last name Brown
Dude can dance,
hey yo dude gets loose
Dude should come clean and tell the truth
All the money in the world but it's no excuse
Career suicide yo here's the noose

Boy hits girl,
boy should be taken down
No matter who's around
The more I search yo the more I found
That there's a curse to this last name Brown
Dude can dance,
hey yo dude gets loose
Dude should come clean and tell the truth
All the money in the world but it's no excuse
