[Intro]

Two words to describe the day
No more of the same old ways
that kill inside, just to know
what now
what now?

[Verse 1]

Once again, I'm beside myself with us
Tell me
Would you like some fries with that?
Here again smiling
Feeling words all around
What really hurts
Falling down is easy when there's
nothing there to hold you up
And then you say
'You're fine, but you're really not'
You're fine, but you're really not

[Chorus]

Two words to describe the day (describe the day)
No more of the same old ways
that kill inside, just to know
what now (what now)
what now?
I'm fine (I'm fine)
I'm fine is that all you say?
I hope you realize that (realize)
it's just a game you play

[Verse 2]

It hurts, him to see you cry
It hurts more when he sees that you don't even try
to let him know what's inside
Follow through all the words of this song
Get the courage to let him know what's wrong
Let him know what's going on
Let him know what's going on

[Chorus]

[Bridge]
Ooooooh {repeatedly}

[Chorus x2]
