yeah lets go to the beach.....

i feel the breeze
my top is down and
all i do is ride around

and where i go
i just dont care
a place to chill
to get away

i take it day by day
no work or play
no where to stay

and i just need to
clear my mind to
find my role in space and time

im just cruisin'
and i wonder if ill ever find my way
?
im just cruisin'
down this highway of life
and im looking for a place where i can hide away

just cruisin'
just cruisin'

two months
and now i take it slow
im in my flow
so i can find the fields of joy
where life is peace
where i can safely rest my soul
the sun is glowing
winds keep blowing
im still growing
and i try to do the best i can
go down this road
is there a plan

im just cruisin'
just cruisin'

im just cruisin'
and i wonder if ill ever find my way ?
im just cruisin'
down this highway of life
and im looking for a place where i can hide away

da...de...dah...da.....
da...de...dah...da.....

just cruisin'
just cruisin'

im just cruisin'
and i wonder if ill ever find my way ?
im just cruisin'
down this highway of life
and im looking for a place i can hide away

da...de...dah...da.....
da...de...dah...da.....
