So I'm hanging out with my home boys,  
Looking for something to get into  
I'm getting dumb out too bad  
Maybe we came for some hard girls  
Looking for nothing but hot girls  
I got a whole lot to say  
, at my eye over there, got her making my business  
To let her know that I think she's cute,  
And I wanna start a,  
So tell me whether you looking for  
I can be all that you need and more  
And we can go anywhere you like

I'm the right type of style for the right type of girl  
Imma bad boy, Imma bad boy  
If you're the right type of girl come and kick it with me  
Imam bad boy you ask, cause good guys finish last  
Imam bad boy, imam bad boy

You say you starting to wonder, you should give me  
your number  
Don't even know if you can trust me  
I know you think I'm a wild boy  
But I just can't help it nah  
Maybe a girl like you can tame me  
No you don't believe it, I don't try to be mischievous  
I just go with the flow  
I'm just, letting you know

So tell me whether you looking for  
I can be all that you need and more  
And we can go anywhere you like

I'm the right type of style for the right type of girl  
Imma bad boy, Imma bad boy  
If you're the right type of girl come and kick it with me  
Imam bad boy you ask, cause good guys finish last  
Imam bad boy, imam bad boy X 2

Imma bad boy, but baby I'm good for you  
If you want me too, just let me know

You're a good girl and baby I'm good with that  
But it's a fact, opposites attract  
Imam bad boy, let me be your bad boy  
Let me be your bad boy

I'm the right type of style for the right type of girl  
Imma bad boy, Imma bad boy  
If you're the right type of girl come and kick it with me  
Imam bad boy you ask, cause good guys finish last  
Imam bad boy, imam bad boy X 2
