Oho, oho, oho, oho, oho
Oho, oho, oho, oho, oho

I don't ever wanna love again
I'm broken and I can't be mended
Throw my heart away
Cause it's broken in pieces
What would you do if you were me?
This love is blind and I can't see
Take the pain away,
Or just tell me I'm dreaming

There's no remedy, for this pain that I feel
No 2 times a week, no love therapy
So why am I here? Why we're wasting our time?
If love does exist, please show me a sign
I crawl myself to sleep at night
I can't eat please tell me why
I'm drowning, can you save me, can you

I don't ever wanna love again
I'm broken and I can't be mended
Throw my heart away
Cause it's broken in pieces
What would you do if you were me?
This love is blind and I can't see
Take the pain away,
Or just tell me I'm dreaming

I gave my heart away, got nothing I return
Should I seek revenge, or call it a lesson learnt
What more do I give? When I have it all before
So hurt inside, my heart can't take no more
I crawl myself to sleep at night
I can't eat please tell me why
I'm drowning, can you save me, can you

I don't ever wanna love again
I'm broken and I can't be mended
Throw my heart away
Cause it's broken in pieces

What would you do if you were me?
This love is blind and I can't see
Take the pain away,
Or just tell me I'm dreaming

Oho, oho, oho, oho, oho
Oho, oho, oho, oho, oho
Feeling like go oho
Oho, oho, oho, oho, oho
Oho, oho, oho, oho, oho

I don't ever wanna love again
I'm broken and I can't be mended
Throw my heart away
Cause it's broken in pieces
What would you do if you were me?
This love is blind and I can't see
Take the pain away,
Or just tell me I'm dreaming.
