Kan'te pera na peraso, kan'te pera na diavo
Min ta kano ola limpa, min ta kano rimadio
Min ta kano ola limpa, min ta kano rimadio

Eimai koritsi zoriko, skliro kai aimovoriko
Ma san peso stin agapi xero pos na xigitho
Souza omos tone thelo to leventi p' agapo
Souza omos tone thelo to leventi p' agapo

De gyrevo megaleia kai to chrima to peto
I kardia me koumantarei ki o, ti thelo kano ego
I kardia me koumantarei ki o, ti thelo kano ego

Eimai koritsi zoriko, skliro kai aimovoriko
Ma san peso stin agapi xero pos na xigitho
Souza omos tone thelo to leventi p' agapo
Souza omos tone thelo to leventi p' agapo

Eimai koritsi zoriko, skliro kai aimovoriko
Ma san peso stin agapi xero pos na xigitho
Souza omos tone thelo to leventi p' agapo
Souza omos tone thelo to leventi p' agapo
