I just want you to want me
I just want you to need me
Warm kisses on your face
Big arms to embrace
I just need you to need me

I shouldn't never let you go
I was to scared to tell you so
How I loved the way you laughed
All the jokes we played in the past
Oh god, how I need you so

And now your gone and I don't know if your coming back (yeah)

And your so far and I'm waiting in the dark
Hoping you'll come back and hold my hand (yeah)
And all I do is cry and ask myself why (oh oh oh)
I told you goodbye, I promise I'll try
To love you love you more

I just want you to want me
I just want you to need me
To love me more and more each day
To go and take my breath away
To be the one who will always love me

And now your gone and I don't know if your coming back (yeah)

And your so far and I'm waiting in the dark
Hoping you'll come back and hold my hand (yeah)

And now your gone and I don't know if your coming back (yeah)

And your so far and I'm waiting in the dark
Hoping you'll come back and hold my hand (yeah)
And all I do is cry and ask myself why (oh oh oh)
I told you goodbye, I promise I'll try
To love you love you more

Heeeey, yeaah
I just want you to want me
