Can you see it?  
Can you see it?  
You have to discover me  
What goes wrong when I am crying  
Or what I want when I 'm smiling

Can you feel it?  
Can you feel it?  
That I 'm not a little girl  
You 're misunderstanding my way  
And all the rules that I like to play

My secret combination  
It 's a mystery for you  
Use your imagination  
I 'm not easy but I 'm true

My secret combination  
Boy you have to try it hard  
To win a destination  
In the center of my heart

My secret combination  
It 's a mystery for you  
Use your imagination  
I 'm not easy but I 'm true

My secret combination  
Boy you have to try it hard  
To win a destination  
In the center of my heart

An open book  
An open book  
Well I 'm sorry, I am not  
Sometimes I 'm acting like a lady  
Sometimes woman, sometimes baby  
My secret combination  
It 's a mystery for you  
Use your imagination  
I 'm not easy but I 'm true

My secret combination  
Boy you have to try it hard  
To win a destination  
In the center of my heart

My secret combination  
It 's a mystery for you  
Use your imagination  
I 'm not easy but I 'm true

My secret combination  
Boy you have to try it hard  
To win a destination  
In the center of my heart

My secret combination  
It 's a mystery for you  
Use your imagination  
I 'm not easy but I 'm true

My secret combination  
Boy you have to try it hard  
To win a destination  
In the center of my heart

To win a destination  
In the center of my heart.
