I missed the bus, my car broke down  
I had to walk an hour to get to town  
Ten o'clock - already late  
When nine at the movies I'd planned to see my date

Somehow this moment in time  
Ain't no friend of mine

Somedays they don't get any better  
Somedays they seem to last forever  
I try but I can't win and get that kind of feeling  
I wish I didn't wake up at all

Made up my mind to call a friend  
I'd lost my cellie so I went home again  
Still got worse and that's for sure  
Trying to sleep when there's a party next door

Somehow this moment in time  
Ain't no friend of mine

Somedays they don't get any better  
Somedays they seem to last forever  
I try but I can't win and get that kind of feeling  
I wish I didn't wake up at all

On a day like today, wish I didn't wake up  
I'm out of luck in every way, wish I didn't wake up  
This moment in time is no friend of mine  
And I can't wait for dad to say "Rise & shine, it's a beautiful day"

Somedays they don't get any better  
Somedays they seem to last forever  
Somedays, don't wanna wake up at all  
Don't wanna wake up somedays

Somedays they don't get any better

Somedays they seem to last forever  
I try but I can't win and get that kind of feeling  
I wish I didn't wake up

Somedays they don't get any better  
Somedays they seem to last forever  
I try but I can't win and get that kind of feeling  
I wish I didn't wake up at all  
I wish I didn't wake up at all
