I got this feeling  
that my time has come.  
Don't like this feeling  
to be on the run.

Don't let nobody  
take away your dreams.  
Let's get it started  
cause you know what i mean.

This is the time  
the time of my life,  
making it right.  
This time I'm gonna make it.  
This time  
I' gonna shine  
and take what's mine.  
I know that i can make it.

This is the time  
oh oh oh oh  
This is the Time  
oh oh oh oh

Nothing can stop me,  
cause the time is right.  
Nothing can stop me,  
I won't give up the fight.

I got this vision  
of a happy life.  
It's my decision  
cause I'm living my life.

Don't give up  
and fight for your right.

D'ont give up  
and fight for your life.
