Film changes  
As our LIFE rearranges  
As it  
RIPS  
Into pieces  
And we MOVE  
All the boxes  
Filled with  
DREAMS  
And lost wishes  
Filled with BOOKS  
And old dishes  
Down the  
STAIRS  
To containers  
We are Through  
A no brainer  
As we  
WATCH  
Friends make silent bets  
Say  
BYE  
To our favorite pets  
Say  
BYE  
To the empty walls

(Backing track "happy home sounds" kids  
laughing "dinner talk etc")  
My BELLY aches as I recall  
The  
PROMISE you made to me  
A Home and a family

CUT

And ACTION

Now it's only  
DIRT  
and some garbage bags  
a SHIRT and some cleaning rags

We SUCK up the grime and dust  
We SIFT through respect and trust

CUT  
Silence.,â€|and ACTION

TEARS  
And yet no more doubts  
We are THROUGH  
I feel so wrung out  
No FIGHT  
As it sickers in  
This is a  
LOSERS game  
Where no one wins  
The PRICE  
Is too high to pay  
Just close your eyes  
And walk away

CUT  
HOLD  
QUIET ON SET  
OK  
ACTION!

WHY  
Does this hurt so much  
Empty Hearts  
No human touch

GONE  
Gone forever more  
NO GOING BACK  
I close the door  
ALONE

You are on the phone  
â€œBusiness to take care of, love  
Can you get that bag of trash â€“ thanks hon.â€

CUT  
That was a wrap
