Intro/Interlude

Falling for you

You're the one

For me my love

Falling for you love

Verse:

You are the one who I want to spend my life with

You the one who I want to share my thoughts with

Together in this crazy world

We'll be strong if we hold together

Holding onto

Love

Refrain:

In good or bad

Happy or sad times

We'll go through it together

You and me

We'll show the world

That love's eternal

Time and time again we'll be

Holding strong

Verse:

You are the one who I want to spend my days with

You are the one who I want to share my dreams with

Together in this crazy world

We'll be strong if we hold together

Holding onto love

Refrain:

In good or bad

Happy or sad times

We'll go through it together

You and me

We'll show the world

That love's eternal

Time and time again we'll be

Holding strong
