Let Go and Trust  
music and lyrics Kara Johnstad, ©  
So many years we lived together  
Shared our lives, our thoughts, our dreams  
but slowly it is coming to an end.

So many times we tried to save it  
To feel the passion, the spark, a flame  
But time has changed the way we touch - we feel

What to do  
When a person doesn't want to go  
Where you need to go to grow  
You can only let go  
You can only let go  
So many years I've tried to understand you  
Show you that our love is real  
But slowly I need to accept that's not how you feel

What to do  
When a person doesn't want to go  
Where you need to go to grow

And what to do  
When a person doesn't want  
Togetherness  
You can only let go  
You can only let go  
And trust.
