Visit "[Ocean](#)" on MotoLyrics.com

Sea, oh sea
My past, my destiny
The rock that melts away
Man from clay
Returning memories

Lost in time
The shadows dance a rhyme
The green has caught my heart
Tears apart
Pulling me onwards

Waves that take me out to sea
Call Call Call
Call to me
Set me free

Come and take me home
Ocean
We are the sea
We are the waves
We are the great
Ocean

We are the sea
We are the Waves
We are the great
Ocean

Lost at sea
Forgotten mystery
The seashell
