OPEN UP and RECEIVE

Lyrics Kara Johnstad & Kevin Kortan

Walking - rhythm - sound  
Splashing -slapping - ground  
Thoughts are flying  
Overlying  
Where is it that I'm bound

I didn't think, I was  
Question, why, because  
Judgements falling  
Who is calling  
The sacred heartbeat does

OPEN UP and RECIEVE  
OPEN UP and RECIEVE  
OPEN UP  
OPEN UP  
OPEN UP and RECIEVE

Water angels call  
A gentle piercing fall  
Lighttime moving  
Secrets truthing  
Her liquid eyes recall

An elemental sign  
A watermark in time  
Moments fleeting  
Pulsing beating  
A destiny Divine
