Meu amor, love of loves  
Our hearts have danced as one  
We've traveled the globe  
Experienced worlds  
And we've touched the midnight sun

It's crazy now, I don't know just what  
Is the reason for the change  
A desire to know  
To take to the skies  
To go through these growing pains

Oh, I love you  
Meu amor  
Whether you're here or there in time  
Our paths will cross  
Our hearts are one  
In trust we head for open sky and

We fly, we fly  
We fly, we fly  
We fly, through the sky  
We fly

Yes in trust, my dearest friend  
That our paths will meet once more  
Centered and stronger  
Full of childlike wonder  
Life, an open door

Walking through this magic door  
My hand is in your hand  
You look at me and I look at you  
And we'll finally understand

Oh, I love you  
Meu amor  
Whether you're here or there in time  
Our paths will cross  
Our hearts are one  
In trust we head for open sky and

We fly, we fly  
We fly, we fly  
We fly, through the sky  
We fly
