Iâ€™m in a zig zag mood
I donâ€™t feel it going away
Like a puppy tailâ€™s wag wag
Longing to go and run and play
I wanna go straight, baby
I wanna hit the brake, baby
But what am I suppose to do do do?

Verse:

Iâ€™m a bit stunned
Donâ€™t know where Iâ€™m going baby
But I feel he#s the one
And thereâ€™s no ifs ands buts or maybes
Uncharted territory
Makes me feel a bit queasy
To let go of it all,
Just ainâ€™t so easy

Iâ€™m in a zig zag mood
I donâ€™t feel it going away
Like a puppy tailâ€™s wag wag
Longing to go and run and stray
I wanna go straight, baby
I wanna hit the brake, baby
But what am I suppose to do do do?

Vamp:

Iâ€™m at a crossroads
Feel like one big intersection
At a crossroads
Lifeâ€™s taking a new direction
At a crossroads
Looking life square in the eyes
Should I take a left right here oh
Baby, is it wise?
