Yeah, Yeah, i get happy

VERSE:

I'm so thankful for everything you've done for me
Just to have you in my life is such a blessing
How your constantly showing me just how much you
love me
And use the little things in life to remind me
How big you are, how amazing is your grace
You can tell that he a lifter and the smile that's on my

I'm just happy to call you friend, yeah
When i think about it i can't help but grin

I'm so glad your there
Hearing my every prayer
Just to know that you care
Oh Oh i get happy
You are the sweetest thing
Gave me your love for free

The way your loving me
Oh Oh i get happy

VERSE:

This morning i got up and looked out the window, yeah
And i couldnt help but see all my creator has given me
(alot)
See the beauty and the trees
Look forward to summer breeze
Blown away by the love around me
Cause i got my family and my baby calling
No matter what comes or goes i know they're looking
out for me
But most of all i'm thankful for his love

And the happiness he gives is more than enough
