heyyyyyyyyyy

Its like falling in a dark hole , that u cant get out
ofhuveofofof

chorus:

Way above the light of day

Its like building up enough faith , to help u move that
mountain ohhoeee

Chorus:

just believe on him-
for changehange

Its like looking for a rescue, when you feel you cant
dowhoooo ohoho

Chorus:

anything right ighttttt

Pray and cry

ask the -lord whyhye

when you cant do it on your own

lift your hands up and sang this song and say heah

heyyyyyyyyyy

Chorus:

Lord save me

no i cant do it on my own

Lord save me (save me)

Lord my heart never was so cold

something , trying, pushing, finding, and i need you
defiently

lord i dont know what you see in me

come resue me, im on my knees and im calling (want
you come protect my heart)

its something trying, pushing , fighting, and i need you
defiently

and saw what you see in me (see in mehehehe)

Its like putting a smile forhoar those who are around

youwho whooo

Chorus:
Secretly crying tearshearsearrs

Feels like im losthost in a darkness blinded by your
painhain

Chorus:Helpless a victim of fearear

You are always, still ur not apart ohuvef , your the one i
depend on hone onnnnnnnnonnoonn
U pray and wait for the break of dayheay, when you
cant do it on your on , lift your hands up and sang this
song
and say hey heah heah yeah
