Be all Worth the Risk

Verse 1:

Gotta keep looking forward  
Try not to look back  
Sometimes it's better that way

What's happened has happened  
Just leave it at that  
There's nothing that you can now change

No one said it'd be easy  
Soon it'll all be over  
Take a deep breath and know I believe  
If I do I'll always make it through

Chorus:

I've got a mind, I've got a soul,  
I've got a long life to live  
I've gotta stop, gotta breathe  
Let my dreams take a stand  
Gotta hold onto the reigns that I pull  
Gotta keep going never look back  
I'm gonna climb, I'm gonna rise,  
I'm gonna get to the top  
I'm gonna close my eyes  
And wait for the drop  
I'm gonna hold on, until there's nothing to fix  
Cause when I get there  
It'll be all worth it  
Be all worth it  
Be all worth the risk

Verse 2:

One step at a time  
Seems like a good way to go  
Take your time no need to rush

Taking my own pace,  
No stops in my way  
I'll get there soon enough

Take a good look and know that  
Soon it'll all be over  
Take a step forward and know I believe  
In the end it'll all be better

Chorus:

I've got a mind, I've got a soul  
I've got a long life to live  
I've gotta stop, gotta breathe  
Let my dreams take a stand  
Gotta hold onto the reigns that I pull  
Gotta keep going never look back  
I'm gonna climb, I'm gonna rise,  
I'm gonna get to the top  
I'm gonna close my eyes  
And wait for the drop  
I'm gonna hold on, until there's nothing to fix  
Cause when I get there  
It'll be all worth it  
Be all worth it  
Be all worth the risk

Bridge:

Every second of the route that I live  
There's always bumps in the road  
Some knock me down  
But I'll get on my feet  
I'm going where I need to be

Chorus:

I've got a mind, I've got a soul,  
I've got a long life to live  
I've gotta stop, gotta breathe  
Let my dreams take a stand  
Gotta hold onto the reigns that I pull  
Gotta keep going never look back

I'm gonna climb, I'm gonna rise,  
I'm gonna get to the top  
I'm gonna close my eyes  
And wait for the drop  
I'm gonna hold on, until there's nothing to fix  
Cause when I get there  
It'll be all worth it  
Be all worth it  
I've got a mind, I've got a soul,  
I've got a long life to live  
I've gotta stop, gotta breathe  
Let my dreams take a stand

I'm gonna climb, I'm gonna rise,  
I'm gonna get to the top  
I'm gonna close my eyes

And wait for the drop  
I'm gonna hold on, until there's nothing to fix  
Cause when I get there  
It'll be all worth it  
Be all worth it  
Be all worth  
The risk  
The risk  
Cause when I get there  
When I get there  
It'll be all worth  
The risk
