Keeping my eyes on the road  
I see you  
Keeping my hands on the wheel  
I hold you

99 miles from L.A.  
I kiss you, I miss you  
Please be there

Passing a white sandy beach  
We're sailing  
Turning the radio on  
We're dancing

99 miles from L.A.  
I want you, I need you  
Please be there

The windshield is  
Covered with rain  
I'm crying  
Pressing my foot on the gas  
I'm flying

Counting the telephone poles  
I phone you  
Reading the signs on the road  
I write you

99 miles from L.A.  
We're laughing, we're loving  
Please be there

The windshield is  
Covered with rain  
I'm crying  
Pressing my foot on the gas  
I'm flying

Counting the telephone poles  
I phone you  
Reading the signs on the road

I write you

99 miles from L.A.  
We're laughing, we're loving  
Please be there

99 miles from L.A.  
99 miles from L.A.
