Everything I want to do  
I only want to do with you.  
Everything I want to do  
I only want to do with you.

I will always have a bed to sleep on  
And there'll always be a side for you.  
To let you in to half my world  
Baby that's the least that I can do  
And I don't want to go to work  
Unless you're there when I get back home  
And if you're not there I won't eat  
'Cause I don't want to eat alone.

Everything I want to do . . .

I don't ever want a house and garden  
In the quiet of a dead end town  
But if that's what you require me  
Then I'll want to settle down.  
And I don't want kids of mine  
Runnin' round and raisin' hell  
But I don't care what my kids do  
If they belong to you as well.

Everything I want to do . . .

So come with me and stay with me  
And be with me ev'rywhere I go  
And love with me and live with me  
And watch with me as the garden grows.  
I don't ever want to be an old man

I don't ever want to die alone.  
To face the shadows of my life  
But never never on my own.

Everything I want to do . . .
