Why do I feel like I'm losing you?  
Did it ever become what I've always wanted it to  
You tell me I'm the lucky one  
How can you say that  
When it breaks my heart to see another woman with  
you

Oh, lover of mine  
Oh, lover of mine  
When it hurts so bad  
I want to hold you in my arms  
Make me feel like you want to be  
A lover of mine

After we've said all there is to say  
Am I still in your heart  
Or am I just in your way  
My desire for you is running wild  
Jealousy, dangerous time  
When I see you looking at another woman that way

Oh, lover of mine  
Oh, oh lover of mine  
When it hurts so bad  
I want to hold you in my arms  
Make me feel like you want to be  
A lover of mine

Please set me free  
Give me a reason  
I'm trying to keep it alive  
There is no need  
For us to be lonely  
Give me some kind of hope  
I'm walking a fine line

Oh, lover of mine  
Oh, lover of mine  
When it hurts so bad  
I want to hold you in my arms  
Make me feel like you want to be

A lover of mine

Make me feel like you want to be a lover of mine

Make me feel like you want to be a lover of mine
